

**ARRANGEMENTS FOR THANKSGIVING AND COMMITTAL SERVICES  
FOR REVD. (RUTH) ANN DAVIS**

A Thanksgiving Service for Ann will be held at Upper Stratton Baptist Church on **Wednesday, April 7<sup>th</sup> at 12noon** followed by the committal at **Kingsdown Crematorium at 1.30pm**

Attendance at both services is by invitation only and I have already written to those invited to attend.

As attendance numbers are strictly limited under the current Covid pandemic rules, we invite you to join us by watching the services streamed via the internet, if you wish, either at the time they happen or later. The recordings will be available indefinitely using these links.

Please note that this is a 'streamed' service provided by the funeral directors, Pearce Funeral Services, so that you can view and listen but you will not be able to contribute in the way we are familiar with when using Zoom for church services and meetings. We regret that we are unable to use Zoom for these services for technical reasons.
